

GREEN GRANT APPLICATION

DUE NOV 23rd 2009

Date Submitted _____

Campus Committee for Environmental Responsibility

Campus mail CCER- Hudson Hall 102

Name of applicant: _____

Phone number: _____

Email: _____

Address: _____

Budget available: \$500 to \$8000 per project

Project title:

1. Please describe the project in two pages or less.
2. How will the proposed project make SUNY Plattsburgh more environmentally friendly?
3. Is it an ongoing project, or a one-time venture?
4. Please give a detailed budget for the project, including estimated ongoing annual costs, if any.
5. Who will be in charge of this project?
6. Who will build/design/implement this project? Contractors? Students? Staff?
7. How will students be able to use/see this addition to campus?
8. Where on campus will this green project be located?
9. Who is your *required* student sponsor if you are faculty/staff? If a student, do you have a faculty or staff co-sponsor? Are you working with any other student organizations or groups? If so, who and why?
10. About how long will it take to implement or complete the project?
11. Will this project need maintaining? If so, who will tend to its needs and how often?
12. Does this project have the potential for internship or independent study credits? Explain.
13. Does it have the potential for work-study or temporary service hours? Explain.
14. How did you learn about the Campus Committee for Environmental Responsibility and the Green Grant program?
