What You (and your Students) Need to Know About Canada & Quebec

COURSE DESCRIPTION:
Based on teachers’ needs, we will examine topics (geography, history, politics and governmental system, Indigenous contemporary issues, and Quebec Nationalism) that have helped to define Canada and Quebec. By the end of this course, you should have a solid grasp of essential information needed to better understand Canada and Quebec; as well as resources and instructional strategies to help you impart this information to your students.

LECTURER: Charles Deshaies (cdesh001@plattsburgh.edu)
