COVID-19 | Wednesday Update

Dear Campus Community,

The college recorded one new positive student COVID-19 case on Wednesday.

Over the past 14 days, five total cases have been recorded. Based on state travel regulations or public health guidance, 10 students are in quarantine.

Results from pooled surveillance testing samples taken this week will be shared when available.

A reminder: Students must have a negative COVID-19 test in order to attend on-campus classes beginning Monday, Feb. 15. More information on requirements is online at plattsburgh.edu/COVID-19.

We respect the privacy of those in isolation and quarantine and will support them. If you are aware, please also respect their privacy.

We encourage you to take steps daily to ensure the safety for you and all around you. Wear a mask, practice social distancing, wash your hands, avoid large social gatherings, and stay home when sick.

Dr. Alexander Enyedi
President
