COVID Cases | Saturday Update

March 20, 2021

Dear Campus Community,

The college recorded five positive COVID-19 cases on Saturday.

Over the past 14 days, 83 total cases have been recorded, with 34 cases active and 49 recovered. Based on public health guidance, 100 students are in quarantine -- 31 on-campus and 69 off-campus.

We respect the privacy of those in isolation and quarantine and will support them. If you are aware, please also respect their privacy.

Specific results from pooled testing are reported to students, faculty and staff directly only if they are part of a positive pool. Reflex testing is then used to determine who may actually be positive. Center staff then notifies all contacted individuals of their reflex testing results when received from SUNY Upstate Medical.

Reminder: All Employees Eligible for Vaccines
All SUNY Plattsburgh employees, including student employees, are eligible to receive a COVID-19 vaccine. State (https://covid19vaccine.health.ny.gov/) and Clinton County (http://www.clintonhealth.org/covid19vaccine/) web pages provide details on appointments.

We encourage you to take steps daily to ensure the safety for you and all around you. Wear a mask, practice social distancing, wash your hands, avoid large social gatherings, and stay home when sick. More information is online at plattsburgh.edu/COVID-19.
