COVID-19 Cases | Tuesday Update

Nov. 17, 2020

Dear Campus Community,

The college recorded two new COVID-19 cases on Tuesday. Over the past 14 days, 83 total cases have been recorded.

By direction of the county health department, 112 students (39 on-campus and 73 off-campus) and two employees are in mandatory or precautionary quarantine. Additionally, one student is in precautionary isolation having tested negative with rapid tests but awaiting back-up PCR test results.

Those in isolation and quarantine are being released as they recover and risk times expire. We respect the privacy of those in isolation and quarantine and will support them. If you are aware, please also respect their privacy.

Pooled surveillance testing will continue tomorrow for college employees.

Most students have already left the Plattsburgh area or will be returning home soon. As we transition to Thanksgiving break then fully remote classes for the rest of the semester, I ask you to take the Cardinal Pledge each day wherever you are: wear your mask, practice social distancing, wash your hands, avoid large social gatherings, and stay home when sick.

Those who remain on campus over the next couple days should limit gatherings and activities to only those that are necessary. Please reach out to relevant organizers, supervisors or faculty with specific questions.

Dr. Alexander Enyedi
President
