COVID-19 Cases | Saturday Update

Nov. 21, 2020

Dear Campus Community,

The college recorded one new COVID-19 case on Saturday. The case was identified through this week's pooled surveillance testing of employees. The balance of the tests were negative. Over the past 14 days, 80 total cases have been recorded.

By direction of the county health department, 100 students (32 on-campus and 68 off-campus) and four employees are in mandatory or precautionary quarantine. Two students are in precautionary isolation having tested negative with rapid tests but awaiting back-up PCR test results.

Those in isolation and quarantine are being released as they recover and risk times expire. We respect the privacy of those in isolation and quarantine and will support them. If you are aware, please also respect their privacy.

As we shift now to Thanksgiving break and fully remote classes for the rest of the semester, please take the Cardinal Pledge each day wherever you are: wear your mask, practice social distancing, wash your hands, avoid large social gatherings, and stay home when sick.
