The college recorded no new COVID-19 cases on Friday. Additionally, all of the 225 pooled surveillance test samples obtained earlier this week from students and employees are negative.

Over the past 14 days, 11 total cases have been recorded. By direction of the county health department, no students and one employee are in mandatory or precautionary quarantine. One student is in precautionary isolation having tested negative with rapid tests but awaiting back-up PCR test results.

By direction of the county health department, no students and one employee are in mandatory or precautionary quarantine. One student is in precautionary isolation having tested negative with rapid tests but awaiting back-up PCR test results.

Those in isolation and quarantine are being released as they recover and risk times expire. We respect the privacy of those in isolation and quarantine and will support them. If you are aware, please also respect their privacy.

We encourage you to take steps daily to ensure the safety for you and all around you. Wear a mask, practice social distancing, wash your hands, avoid large social gatherings, and stay home when sick.
