ADMISSIONS

Bachelor’s degree-completion programs are intended for students who have completed a liberal arts-based associate degree or the equivalent of approximately 60 credit hours. As a degree completion program rather than a complete undergraduate degree, you will begin your study at the junior-year level.

GPA requirement - 2.3 or higher

For more information contact branchcampus@plattsburgh.edu.

INNOVATIVE

First SUNY college to establish a branch campus at a community college in New York.

HANDS-ON

Explore social problems such as crime, delinquency, and violence in small class sizes with accessible faculty.

REAL-WORLD

Learn to dissect the components of our criminal justice system and explore internship opportunities that will advance your future career.

IN-DEPTH

Broad, social-scientific approach to crime and justice, with emphasis on law and U.S. Constitution, police training and victimology.
