2010-2011
Plattsburgh College Foundation Annual Report

During the 2010-2011 fiscal year, SUNY Plattsburgh hit an all-time high in gifts and pledges to the college. The 5,754 donors who supported the college helped it surpass its goals for the Bright with Promise Campaign — the largest fundraising effort in the history of the college. See the special insert in the middle of this publication to learn about this record-breaking campaign.

Meanwhile, I am pleased to present the Plattsburgh College Foundation’s 2010-2011 Annual Report and Leadership Giving Honor Roll. The graphs below illustrate the foundation’s fiscal performance and fulfillment of our mission. I am also pleased to recognize our most generous donors, those individuals who provide leadership in annual giving, planned giving and cumulative lifetime support.

All gifts, regardless of the amount, make a difference to our students. Please visit our online Alumni Honor Roll of Donors at www.bit.ly/AlumniGifts. Thank you for your support.

Annual Leadership Societies

Membership in an annual leadership giving society is granted to the alumni, parents, corporations, foundations and friends who have given $500 or more to the college during the 2010-2011 fiscal year.

In addition, the college recognized young alumni who have graduated in the past five years or within the past 10 years and who have provided annual support at the $250 or $500 level respectively. These donors were honored with membership in the Benjamin F. Feinberg Leadership Giving Society.

The Heritage Society

The Heritage Society was created in 1992 to recognize and express appreciation to leading benefactors of SUNY Plattsburgh. These individuals have made planned-giving commitments through bequests, insurance policies, charitable gift annuities or the creation of a charitable trust. Benefactors who have established an endowment that provides perpetual support are also recognized with membership in the Heritage Society.

Listed below are the members of the Heritage Society as of June 30, 2011. We are deeply honored that these people have chosen SUNY Plattsburgh as their investment in education. Their generosity will benefit many generations of students.
